

A Shot in the Dark golf tournament

In support of the Friends of Hospice Ottawa

Dear friend:

The weather is getting warmer, the greens are getting greener and plans are well underway for The Astral Fitness **A Shot in the Dark golf tournament.** This year, we have an ambitious goal to try something new and exciting, a 9 hole par 3 golf tournament played under the lights, that's right at night and overnight. The Thunderbird sports centre has generously donated their golf course to our event.

Your participation or investment in our event will directly assist The Friends of Hospice Ottawa. They are a dedicated, registered charity providing hospice palliative care supportive services. Friends of Hospice Ottawa's mission is to support, educate and empower those who are affected by or caring for a person with life-threatening illness.

We would ask that you consider joining our event as a participant and/or sponsor. We would be thrilled if you will join us on June 26th, at the Thunderbird sports centre for a great night of fun, fellowship and fundraising for an excellent cause.

With your assistance, we can make a positive difference in the lives of community members, and their families, currently battling illness.

Should you have any questions, please feel free to contact me directly at 831 - 2348 or via email at john@astralfitness.com

Kind regards,

John Ielo
